

**MISSION:** The Fayette Education Foundation supports educational excellence in Fayette County Public Schools by promoting equity for all students.

**BELIEFS:**

- We believe that the cornerstone of a strong community is a quality public education system.
- We believe that community prosperity, both quality of life and economic growth, results from increased educational excellence.
- We believe that a vibrant and prosperous community is inextricably linked to the value its community members place on quality education.
- We believe that all community members have a stake in their public schools.
- We believe that all children deserve quality resources to reach their educational potential.
- We believe that investing in our children is investing in the future of our schools, community and society.
